Domestic Bliss.

A case of domesticity occupied the attention of Commissioner Cross yesterday. The parties immediately concerned in the affair are John Royle and his better half Barbara Royle. It appears that there has been trouble in the family, resulting in the wife taking her departure for Logan accompanied by her mother. Prior to going, however, the lady had secured in some way, the household effects, and had them transferred to the possession of the Utah and Northern Railroad Company for transportation to Logan. The husband did not discover the movement until the furniture was duly handed over to the railroad company, and the present action is one brought by the husband seeking to be replaced in possession of his property. The runaway wife has been subpoenaed to appear before Commissioner Cross, and it is expected the case will come up again to-day.

The Diamond.

Come on to your doom, Nationals! you have grit, but "our boys" are on their mettle, which, by the way, is of a quality equal to anything at present on the market. Besides, the Ogden people have not seen the new dress of our baseballists. Pity, however, great pity, that the Junction City, which boasts of her railway combination, has not yet been able to supply the boys with a decent diamond.

Personals.

A. T. GLASS is up from the capital. ROLLIN P. FAXE went to Nephi yesterday.

T. W. JONES arrived from the North yesterday.

ARTHUR W. PHILIPS, of Laramie, Wyo., is in town.

C. C. McCADDEN came in from Salt Lake City on Wednesday.

G. W. BURKHART, of Denver, Colo., was in the city Wednesday.

CHAS. BROWN, who has been on a visit in Ogden, passed to his home last night on the 6 o'clock Salt Lake train.

R. IRVING, assistant superintendent of the metropolitan Z. C. M. I., in company with his eldest son, went west yesterday on a pleasure trip.

Briefs.

On July 5th, look out for the Ogden Band's new uniforms.

THE OGDEN Drum Corps will give a social dance in the Pavilion, on June 29th.

Two new telegraph wires have been erected between this point and Grand Junction, Colorado.

THE SALT LAKE NATIONALS play the national game at Lester Park, Ogden, to-morrow. Don't forget.

GASPIES, in anticipation of what we are going to receive, are being laid down in the Stevens-Dooy block on Main Street.

TWO CARLOADS of rock arrived, yesterday, at the Union Depot, on the Denver & Rio Grande Western, for use on the new depot.

RACES will come off at the Ogden Driving Park on the 22d and 23d; they will draw a goodly number of sportsmen to the spot.

OUR SALVATIONISTS are just now out of house and home and are compelled to do their salvationing on the streets. They are now looking out for another haven, however.

THE DENVER & RIO GRANDE Western train, which has hitherto left the Junction City at 10.05, now leaves at 8.40 p.m.; and the bathing train for Lake Park will for the future not be dispatched until 6.20 p.m.

Manti Matters.

OUR district schools closed on Friday, June 15th. The untiring efforts of the teachers have resulted in an improvement of both the teachers and pupils. The North Ward district school, taught by Wallace Billings, took an out up Manti Canyon. The programme of the day was climbing hills, trees, swinging, etc., not forgetting a bountiful lunch.

THE City Council met on Monday and Tuesday as a board of equalization.

BUSINESS in these parts is dead. Some of the sheepmen are complaining, because they have not yet found sale for their wool.

THE East Mountains are looking green, which reminds the people summer is nigh. Sheepmen are crowding their sheep there by the thousands.

THE citizens of Manti will celebrate the national day in true and patriotic style, irrespective of creed or party.

APOSTLE D. H. WELLS' genial, welcome face was seen in our midst on Sunday, having returned from Salt Lake City, after attending the services over the remains of Apostle Snow.

SOME of the big farmers will probably lose their crops, as they were depending upon the recently broken reservoirs for their water supply.

AMONG those who were working in the Temple last week were Prof. James E. Talmage and wife, of Provo.

MANTI, June 18, 1888.

Springville Splinters.

THE days are hot but the nights are cool and delightful.

THE last of the strawberry crop is going at 10 cents per quart. Cherries, early peas and potatoes now garnish the board of the husbandman.

THE song of the hay-maker is heard in the land, and hay stacks are growing on every lot.

ADELE PAYN appears in "Wages of Sin" at the Opera House, on Thursday evening. From all reports our theatregoers will have a treat.

HONBLE CREEK is now dry, and the Co-op Mill stands on dry land, and will probably remain there for the rest of the year.

DAKES & DOUL, the druggists, were

assessed \$75 by Justice Noe on two complaints last week for violations of the city ordinance.

DR. G. W. SHORES, formerly of La Plata, Mo., has taken up a permanent residence, and opened an office on Main Street. He is accompanied by his wife and child. The doctor comes highly recommended, and is delighted with our town and surroundings. We bid him welcome, and wish him every success.

ON Saturday evening, after a lingering illness, Mrs. Lydia Houtz, wife of Jacob Houtz, Esq., of Springville was taken from this life. Her funeral services were held to-day, at 2 p.m., at the home of the bereaved family. Remarks were made on the occasion by Bishop N. Packard, Prof. C. D. Evans, J. S. and P. H. Boyer, eulogistic of the life and character of the deceased, and of a consoling nature of the mourning family. Mrs. Houtz was a native of Pennsylvania. She was 70 years old, and came to this Territory in 1847, close upon the trail of the Pioneers, suffering the trials and vicissitudes of the early pilgrim to this western land.

SPRINGVILLE, June 18, 1888.

No Mercury,

No Potash,

Or any other Mineral Poison.

It is Nature's Remedy, made exclusively from Roots and Herbs.

It is perfectly Harmless.

It is the only remedy known to the world that has ever yet cured Contagious Blood Poison in all its stages.

It cures Mercurial Rheumatism, Cancer, Scrofula, and other blood diseases heretofore considered incurable. It cures any disease caused from impure blood. It is now prescribed by thousands of the best physicians in the United States, as a tonic. We append the statement of a few:

"I have used S. S. S. on patients convalescing from fever and from measles with the best results."

J. S. CHENEY, M. D., Ellaville, Ga.

BRENNY, GA.—Willie White was afflicted with scrofula seven years. I prescribed S. S. S., and to-day he is a fat and robust boy."

C. W. PARKER, M. D.

Richmond, Va., Dec. 15, 1888.—I have taken three bottles of S. S. S. for secondary blood poison. It acts much better than potash or any other remedy I have ever used."

B. E. WATKINS, M. D., Formerly of Sussex Co., Va.

DR. E. J. HALE, the well-known druggist and physician, of Nashville, Howard County, Ark., writes: "Having some knowledge as to what S. S. S. is composed of, I can safely recommend it as the remedy for all skin diseases, it matters not what the name may be."

We have a book giving a history of this wonderful remedy, and its cures, from all over the world, which will come to you that all we say is true, and which we will mail free on application. No family should be without it. We have another on Contagious Blood Poison, sent on same terms.

Write us a history of your case, and our physician will advise with you by letter, in strictest confidence. We will not deceive you knowingly.

For sale by all druggists.
